A scrawny little crocodile wants the opportunity to bite off more than he can chew. He's tired of bananas; today he'd like to eat a child. But he's smaller than he thinks, and the little girl he chooses for his first meal puts him in his place—she picks him up and tickles his tummy! The little crocodile is going to have to eat a lot of bananas and grow a lot bigger before he can add children to his menu! Simple yet hilarious artwork brings this droll story to life.
